

ProjectSEE's Wavinya Challenges Killer Kahika

2nd July, 2020

ProjectSEE Representative **Wavinya Wanyasa** publicly **challenges Senator Susan Kihika** to a live debate regarding her sponsorship of the baby murder bill known as the "Reproductive Healthcare Act of 2019" in any live national TV or radio forum.

Wavinya Wanyasa is a radical abortion abolitionist and an experienced radio and TV host who is MORE THAN ready to aggressively go toe-to-toe with Senator Kihika and expose the truth about this neocolonial eugenics act being imposed by sinister outside forces. Wavinya advocates strongly that **preborn persons deserve the same defense as born persons**.

Will you provide the forum for such a riveting debate? Don't Kenyans deserve to hear a vigorous defense from both sides?

Proposed: Change the “Reproductive Healthcare” Act to replace all references to innocent babies with references to evil senators. For example:

PART V – TERMINATION OF JEZEBEL SENATOR

26. (1) An evil senator may be terminated by a trained spiritual professional where in the opinion of the trained spiritual professional –

- (a) there is need for emergency political abortion
- (b) the evil senator would endanger the life or health of an innocent child; or
- (c) there exists a substantial risk that the evil senator would suffer from a severe spiritual or moral abnormality or psychopathy that is incompatible with the equal defense of innocent preborn lives..

(2) A trained spiritual professional shall offer non-directive counseling before and after the termination of an evil, witchy senator. |
